

THE POWER OF, THE LANGUAGE OF GUJARAT, IS NOW IN YOUR HANDS !

This interactive Multimedia CD ROM that you hold in your hands will provide the learners of this magical language a systematic and scientific way to its mastery, without for a moment doing away with the fun and excitement associated with the discovery of all things new and exciting!

Right from the Vowels and Consonants that form the basic Gujarati alphabets to the more advanced modules that whole constant of the CD has been prepared under the guidance of eminent educationalists from various Indian Universities.

THE WINNING FEATURES OF THIS CD ROM ARE MANY

Multimedia Support at its best: Employed are the state of art Multimedia techniques in order to make learning a pleasure. Choose English/Gujarati as medium of instruction. **Interactive Assistance:** All through the lessons, you never feel alone or unaided. More than a "How to do" the CD employs a "Lets You Do" policy .

User friendly, 101% !!: No tiring installation process, no complicated routing directives. So easy linking from each to every other page for even the junior most learners!! .

Exciting Graphics, Crystal Clear Audio: Colorful and eye catching backgrounds and animation support all the sections. The high quality recordings and audio effects are added features. **Test and Assess yourself with the infotainment games:** Memory games, Jigsaw Puzzles, Lesson Tests, Apple Game, and much more to monitor and motivate. **Record, Compare and Improve:** Provides the easiest way to ensure actual Gujarati Pronunciation. The facility to record your pronunciation and compare it with the standard one. **Print option:** Take as many print outs of the all the Gujarati letters, as you like. Practice writing over them.

INSIDE THE CD

Vidyarambh - The Gujarati Tutor CD ROM enables you to read, write, speak and follow Gujarati easily through its various sections namely **Basics, Writing Skill, Lessons, Numbers, Songs**, etc. Apart from that, the CD introduces to the young learners the supreme gifts of Gujarati Culture & Literature through the sections **Riddles & Proverbs and Verses**. The **Games** help to have a closer look at the language and also entertain the learner.

ACCOLADES FROM USERS :

My daughter just adores the CD. She is so very much obsessed on to the songs. She has started writing Gujarati too - **Suresh Gokani, Columbus, USA**

I went through the CD and I must say learning is really going to be fun and real. I never thought learning could be such fun - **Nishant Shah, UK**
